SMAR SEA is a dynamic company of maritime professionals operating from Maranhão, Brasil.

Our clients range from fishing boats, general cargo, container, bulk, offshore and research/seismic vessels. Our customers satisfaction is our priority and we tailor solutions needed for each of them.

Our team is ready on the phone 24/7 and 365 days a year!
Commitment to the future.

SMART SEA is committed to supporting our customers. Our aim is to continually develop and strengthen relationships with our clients, working in partnerships to build success and develop new opportunities.

Simple. Safe and Everywhere.
